Residency Requirements: Any individual who has been domiciled in Maine for the past 6 months preceding the date of application is eligible for a resident license. A corporation is eligible for a resident license if it has been created and exists under the laws of Maine and it has existed in Maine for 6 months preceding the date of application. A firm or partnership is eligible if all of its officers or partners have been domiciled in Maine for 6 months preceding the date of application. For the purposes of this license application, a resident is a person who:

- A. If registered to vote, is registered in Maine;
- B. If licensed to drive a motor vehicle, has made application for a Maine motor vehicle operator's license;
- C. If the owner of one or more motor vehicles located within the State, has registered at least one of the motor vehicles in Maine; and
- D. If required to file a Maine income tax return on the previous April 15th, filed a Maine income tax return.

Attention Seaweed Harvesters

A DMR license authorizes the holder to harvest seaweed in compliance with Maine regulations governing cutting length and other conservation measures, from any area where seaweed may legally be taken. The holder of this license and any property owners must be aware that Maine's common law (meaning state law developed through court decisions) is not clear as to whether seaweed located in the intertidal zone (defined as the shores, flats or other land between the high and low water mark) is owned by the public generally or by the upland property owner. Therefore, since ownership of the seaweed in the intertidal zone is an unsettled question that only Maine courts can definitively answer, the State of Maine takes no position on (1) whether the public may harvest seaweed from those areas without interfering with the private property rights of the upland owner or (2) whether the upland property owners may prohibit the public harvest of seaweed in those areas.
